

Immersive HANDS-ON Workshop

A Cultural Group Activity for All Ages!

WHAT IS VISUAL VERNACULAR (VV)?

It is an expressive and artistic form
of sign language storytelling.

The storyteller uses visual techniques such as

WORLD COUNTRY SIGNS

Exploring De'VIA

Deaf View/ Image

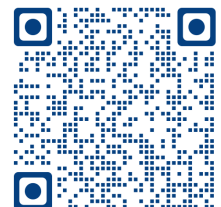

**A popular cultural enrichment program for
all kinds of groups and for ages 5 and up.**

The **Immersive "Hands-On" Workshop** offers an enriching experience in an American Sign Language-rich environment lead by Deaf Docents. This program introduces participants to the Deaf Community, its culture and languages as well as bridge the language gap between the Deaf and non-Deaf communities by promoting shared signing communities for all.

The Immersive "Hands-On" workshop consists of a 1 (one) hour program split into **three** 20-minute sessions:
1) Observing **Visual Vernacular** performances, 2) Learning the **Signs for Different Countries** around the world,
3) **Exploring De'VIA** genre artwork, 4) Learning about **Deaflympics**, 5) learning **Animal Kingdom Signs**,
6) learning **Foods Signs**, 7) learning **Feelings Signs**, and/or 8) learning **Holidays Signs**.

The **Special** Immersive "Hands-On" workshop consists of a 1 (one) hour program session:

- 1) playing **Deaf Jeopardy** game (Middle and High School ages) or
- 2) playing **Scavenger Hunt** game (High School and College ages).
